12. ACKNOWLEDGEMENT OF RISK AND INDEMNITY

The very nature of Experiences means that some personal risk may be involved in taking part in our Experiences and You are deemed to acknowledge and accept such risk on your own behalf and on behalf of any person who participates in the Experience when ordering the relevant Experience.

Drift Limits will require the driver/participants signature on a registration form before participation in any Experience is allowed. A parent or guardian will be asked to sign if the participant is aged 18 years or less.

Drift Limits will not be liable for any loss of any kind, injury or damage, howsoever caused, to you or your property ("Loss") except where and only to the extent that any such Loss is caused by the negligence of Drift Limits, its employees or authorised agents. Participants with pre-existing medical conditions such as disability, injury, heart condition etc should notify Drift Limits at least 21 days in advance if special arrangements will be needed. For further details please contact Drift Limits via info@driftlimits.co.uk

We have transcripts of our verbal Driver's Briefing for those with hearing impediments, use of a BSL video translator is encouraged and we are happy to make additional arrangements with our instruction team. Please notify us of your requirements at the time of booking and well in advance of Your experience date.

We have limited wheelchair access to our spectator areas and briefing rooms. Currently, we have no provision for wheelchair access to toilet facilities, suitable facilities are situated at the nearby motorway service station.

14. FORCE MAJEURE AND WEATHER

All Experiences are offered subject to availability of dates, vehicles, facilities and, of course, the weather or other events beyond our control and accordingly Drift Limits cannot guarantee that a particular date or session will not be cancelled due to extreme adverse weather conditions or other events such as any governmental restrictions, riot, commotion, acts of God, industrial action, breakdown of vehicles or any failure of gas, water services, electricity etc. If Drift Limits is unable to run your Experience due to extreme adverse weather conditions or other events beyond Drift Limits' control You will be able to re-book your Experience for a later date/time.

WE MAKE ALL REASONABLE EFFORTS TO INFORM AFFECTED CUSTOMERS IN GOOD TIME, HOWEVER, YOU ACCEPT THAT NOTIFICATIONS MAY OCCUR AT SHORT NOTICE AND UNDER NO CIRCUMSTANCES ARE WE ABLE TO ACCEPT LIABILITY FOR ANY EXPENSE INCURRED.

Each experience has a predicted duration time, with most in the region of 90 minutes. This begins at the booked session time, not at Your actual time of arrival. The booked session time is the time You chose when booking, or the time on Your booking confirmation email. If You choose to arrive on site earlier than your booked session time, this will not be taken into consideration. All attendees must attend a Driver's Briefing. This starts 15 minutes after the session time to allow for all session participants to sign in upon arrival and lasts approximately 30 minutes.

Due to force majeure as listed above resulting in unforeseen circumstances, some delays may occur. It is the nature of Motorsport that unexpected incidents can occur in rare circumstances. We work tirelessly to ensure a continued and well-functioning experience atmosphere, with great instruction and operation within a timely manner, however must react and occasionally pause operation for safety concerns.

If Your experience activity has not commenced (with the exception of sighting laps/training) within 180 minutes of your scheduled session arrival time, we may extend the concession for You to choose to rebook and attend another date without charge. This will be at Management's discretion. We would of course implore You to stay and complete your experience, thanking you for your understanding whereby a pause is the result of an unexpected incident or force majeure outside of Drift Limits' control.

If Your experience is a multicar experience or includes several sections of driving, the duration will be longer and can experience short waiting times; depending on the cars selected, the number of cars driven and the number of laps driven in each car. The duration of these experiences may exceed 180 minutes from your arrival time. In the case of experiences driving 4+ vehicles, on multiple circuits or for many laps, we do not offer the concession of free re-booking. We will advise of a longer experience duration for larger experiences. Please check the experience duration as listed on our website.

If, due to unforeseen circumstances, there is considerable delay or an inability to complete all driving, a free rebooking of remaining driving may be offered at a manager's discretion.
